

# KALAMAZOO CHRISTIAN SCHOOLS

Undeniably Christian. Academically Excellent.

## The Blessings of Science Camp

5th Grade Science Camp is a decades-long educational activity that has spanned generations of students in the Kalamazoo Christian Schools.

Our 5th Grade students travel to Camp Roger on a Wednesday and return back to school on Friday. They participate in many different activities while there: pond study, fishing, compass, rock wall, art project, archery and many informal outdoor activities. A highlight is the night chapel where students are encouraged to explore deepening their faith in God.

This trip is one that most middle school students remember as a highlight of their middle school experience. Many thanks to our 5th grade team of teachers for their hard work, planning, and dedication to providing this excellent experience!

- **Joel Netz, Middle School Principal**
