The Kalamazoo Christian Schools recognize the power of prayer. When we pray - God moves people, situations and lives.

The first full week of every month, a group of parents, grandparents and friends of the Kalamazoo Christian Schools meets at the Elementary (Thursday @ 8:05am), Middle School (Friday @ 8:05am) and High School (Monday @ 1:30pm) buildings to lift up our students, staff and school community in prayer.

Every time that they meet, the CIP group prays specifically for teachers and grade levels as they grow and develop in their academics, grow and develop in their faith, and prepare to impact the world for Christ.

We Christians pray, but not all Christians are comfortable praying out loud in groups. This is not a problem for CIP. It is not a requirement. Please come and lift up our community, staff, and students in prayer!
