

**KALAMAZOO CHRISTIAN SCHOOLS**  
Undeniably Christian. Academically Excellent.

---

## **The Annual Fund Update**

We are seeing an amazing community being built in and around Kalamazoo Christian Schools. Whether it's tailgating together before a football game, or cashing in tickets at the PEP carnival, relationships are being formed and deepened. I never get tired of seeing the smiles on the faces of our students. I never get tired of hearing about the accomplishments of our teachers in and out of the classroom. I never get tired of seeing the joy in the eyes of parents when their students are impacted through faith – in the classroom, on the athletic field, from the stage, and in our community. I also never get tired of saying thank you. Thank you to those of you who make this place special. Thank you to those of you who make sacrifices to be at KCS. Thank you to those of you who invest in Christian education to make this place possible.

On behalf of our entire school community, I offer up a heartfelt THANK YOU! Your response to our year-end financial appeal was staggering. From October through January, you graciously donated over \$230,000 to help fund our Annual Fund. The Annual Fund provides those with financial needs an opportunity to engage in Christian education at KCS. Our yearly need to fully fund this account is \$425,000. As of today, we have already seen over \$305,000 given. Simply Amazing.

Our Development Team will continue to plan and put together events, speakers, and activities to build our community. We are looking forward to tailgating together next fall. We look forward to summer days at the 12th Street campus library. We are excited about our Biblical Grandparenting event in conjunction with Grandparents Day in May. And we look forward to celebrating the graduation of the Class of 2023. You make these things possible. Thank you.

2 Corinthians 9:11, NLT: Yes, you will be enriched in every way so that you can always be generous. And when we take your gifts to those who need them, they will thank God.

**- Scott Pease, Development Director**
