**Q: What is the school plan for enrollment numbers?**

**A:** We are currently equipped to hold 100 students per grade comfortably (1300 students max K-12). With the current demand, we are looking into other options for expanding our space to hold more students. Our current enrollment for the 2023-2024 school year is 1046. Majority of our available room is in the High School.

# KALAMAZOO CHRISTIAN SCHOOLS

Undeniably Christian. Academically Excellent.

I've already received text from other moms wanting to meet up (never got that before), my daughter has just been ID'd as needing reading resources and scheduled for those right away by her teacher. I don't worry about my daughter at school anymore, I know she's getting quality education and care. It feels very good to be here. Thank you so much for helping us get here!

The teachers, staff, classrooms - this whole community is just so amazing! I feel like with each step it gets better and better! We just feel so blessed to be part of this caring, supportive community! Thank you again for everything but especially for always making us feel like family!

We love you, support you, and treasure the support from you in our mission to raise children who will be a light in the world.

Every interaction I have had with someone within the KC community continues to impress me- from the office ladies being so on top of literally everything to meeting a new bus driver when I was walking in to school yesterday to help with recess/lunch duties.

We would be amiss to not share how full our hearts are that our children get to spend the next 10+ years in such a wonderful Christian, academic environment.
